

MEETING OF THE  
RESEARCH CLUB

The Young Men's Research Club held the last meeting of the club year yesterday morning at the residence of C. H. Atherton on King street. The meeting was of one of combined business and pleasure, the social program, however, being the main feature.

It being the last meeting of the year, the club had decided to make it a ladies' night, and to allow inconsequential chat and merriment to take the place of the usual consideration of a debate of weighty questions of political or philosophical nature. As a consequence the Atherton home, which had been prettily decorated for the occasion, was filled last night with daintily gowned ladies and masculine attendants in full dress.

A few moments in the earlier part of the evening sufficed for the election of officers for the ensuing year, the election resulting in the choice of G. B. McClellan to supersede Prof. J. T. Crawley as president, and of D. H. Case for vice-president, and H. A. Bigelow for secretary.

A few graceful remarks were made by the retiring president of the club, and the new president responded with a short address.

Miss Rice of Kawaiahao Seminary responded to the request for musical entertainment with a piano solo and a love ballad, pleasingly rendered.

Professor Smith of Oahu College then read an interesting paper on "School and the Community," which was received with applause by an appreciative audience.

After the reading of Prof. Smith's paper the meeting became informally social, and until 10:30 the guests chatted and made merry while partaking of the dainty refreshments provided by the hostess.

Among those present were: Prof. and Mrs. Smith, Mr. and Mrs. Drew, Mr. and Mrs. McClellan, Mr. and Mrs. Chas. Gilman, Mr. and Mrs. Hooker, Miss Cruzan, Rev. Silas P. Perry, Mr. E. Benner, Miss Benner, Miss Rice, Mr. and Mrs. C. H. Atherton, Mr. Petrie, Mr. Cowen, Mr. E. M. Boyd, Mr. and Mrs. D. H. Case, Mr. and Mrs. Theo. Richards, Mr. and Mrs. Lewis and Mr. and Mrs. Brown.

## The "Willie" Crawford Row.

"Willie" Crawford, as stated in yesterday's Advertiser, having got real mad and promised to make trouble for the customs men, swore to a warrant for the arrest of Inspector Taylor, charging him with using vulgar language. The case was to have come up in the police court yesterday morning, but Collector Stackable asked for a postponement until today, which was granted.
